Subject to the provisions below, this warranty also covers all defects in workmanship or materials. This warranty is applicable only when the POWER PERFECT BOX was active and fully functional immediately prior to the claim event and the POWER PERFECT BOX sustained surge damage as a result of the claim event or stopped functioning without any apparent reason. The POWER PERFECT BOX must be installed by a licensed/insured electrician. The above remedy is the sole remedy under this warranty, whether based on contract, tort, including negligence or otherwise. Claims must be made within ten (10) days of damage or loss. The POWER PERFECT BOX must be registered by the original owner for the warranty to be exercised. You must register the system by returning the fully completed bottom portion of this document within thirty (30) days of installation. Satic will provide a claim number that must accompany the damaged POWER PERFECT BOX that is being returned for repair or replacement. Send the damaged POWER PERFECT BOX, freight prepaid, to Satic for testing and confirmation of damage. Upon confirmation of surge damage or a performance failure due to parts or workmanship, Satic will repair or replace the damaged or defective unit. This warranty will not apply to any defects or damage to the POWER PERFECT BOX due to: (a) Tampering, modification, or alteration of the POWER PERFECT BOX; (b) installation of the POWER PERFECT BOX by an unlicensed electrician; (c) installation of the POWER PERFECT BOX not according to the installation instructions or (d) surge caused by lightning.
